

## Dual Check Valve

### Adapter 1/2" NPT Female x Male 1/2" NPT

flow, stop and go®

#### Features and Benefits

- Solid brass construction.
- Eye pleasing design blends in between shower elbow and hose fitting.
- Cost effective alternative to bulky and leaky vacuum breakers.
- Provides backflow protection with two check valves and optional flow rate control.

#### Certification

ANSI/NSF \* -61-372 CV and CV 15FR US Models  
ASME A112 18.3 MCV 15 and CV 15 FR US Models

#### Part Numbers

Part #	Description
DCV-000FM	Two CV 15
DCV-150FM	CV 15+ CVFR-US 1.5 gpm
DCV-175FM	CV 15+ CVFR-US 1.75 gpm
DCV-200FM	CV 15+ CVFR-US 2.0

#### Packaging:

Dual check valve adapter 1 pc (bag), 6 pcs (bag), 50 pcs (tray)

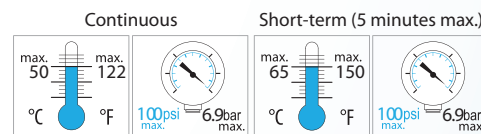

#### Materials

Name	Material
Housing	Chrome plated brass
Check valve	CV15 or CV15FR
Ring	Stainless steel AISI 301
Washer	EPDM

#### Technical Data

Medium: Clear water only
